MemBrain End User License Agreement

IMPORTANT: This software End User License Agreement (EULA) is a legal agreement between you and Thomas Jetter. Read it carefully before completing the installation process and using the software. It provides a license to use the software and contains warranty information and liability disclaimers. By installing and using the software, you are confirming your acceptance of the software and agreeing to become bound by the terms of this agreement. If you do not agree to be bound by these terms, then select the "cancel" button. Do not install the software and return the software to your place of purchase for a full refund within 14 days after purchase. Partial or full refund is not possible anymore after this period.

This EULA shall apply only to the MemBrain software supplied by Thomas Jetter herewith and the MemBrain DLL supplied by Thomas Jetter herewidth regardless of whether other software is referred to or described herein.

DEFINITIONS

(a) "Thomas Jetter" means Thomas Jetter, Münchhofstr. 43, 55246 Mainz-Kostheim, Germany

(b) "MemBrain" and "Software" refers to Thomas Jetter's MemBrain Neural Network Editor and Simulator program, in each case, supplied by Thomas Jetter herewith, and corresponding documentation, associated media, and online or electronic documentation.

(c) "MemBrain DLL" refers to Thomas Jetter's MemBrain DLL (Dynamic Link Library) only, in each case, supplied by Thomas Jetter herewith, and corresponding documentation, associated media, and online or electronic documentation.

(d) "NON-REGISTERED VERSION" means a free version of MemBrain for personal or educational use only, so identified, to NOT be used by a company or business person for supporting the corresponding business goals. The NON-REGISTERED VERSION is fully functional, without functional restrictions of any kind but may contain messages or reminders occurring during operation stating that it is not allowed to use the software for commercial purposes without buying a commercial license.

(e) "NON-COMMERCIAL REGISTERED VERSION" means a version of MemBrain that has been formally registered at Thomas Jetter and been assigned a Non-Commercial License Key by Thomas Jetter for personal or educational use only, so identified, to NOT be used by a company or business person for supporting the corresponding business goals. The NON-COMMERCIAL REGISTERED VERSION is fully functional, without functional restrictions of any kind.

(f) "COMMERCIAL REGISTERED VERSION" means a version of MemBrain which has been bought to Thomas Jetter and been assigned a Commercial License Key by Thomas Jetter.

(g) "Single User License" means a license that is valid for one single installation on one single computer only.

(h) "Multi User License" means a license that is valid for an arbitrary number of installations on an arbitrary number of computers which are all located at one single physical site of a company or institution.

(i) "Commercial MemBrain DLL Redistribution License" means a license that allows the owner of the license to redistribute the MemBrain DLL as integral part of another commercially distributed software package that uses the DLL in order to fulfill its functionality.

LIABILITY DISCLAIMER

The MemBrain program and all associated supplementary software including but not limited to the MemBrain DLL and all MemBrain generated source code are distributed "as is". No warranty of any kind is expressed or implied. You use it at your own risk. Thomas Jetter will not be liable for data loss, damages and loss of profits or properties or any other kind of damages or loss caused by use or misuse of this software.

RESTRICTIONS

You may not use, copy, emulate, clone, rent, lease, sell, modify, decompile, disassemble, otherwise reverse engineer, or transfer any version of the Software, or any subset of it, except as provided for in this agreement. Any such unauthorized use shall result in immediate and automatic termination of this license and may result in criminal and/or civil prosecution.

For MemBrain NON-REGISTERED VERSION and for MemBrain NON-COMMERCIAL REGISTERED VERSION only

(a) Any file or associated intermediate files generated by the NON-REGISTERED VERSION or the NON-COMMERCIAL REGISTERED VERSION of the Software MUST NOT be used for, or in relation with, any commercial or business purpose, whether "for profit" or "not for profit". Any work performed or produced as a result of use of this Software cannot be performed or produced for the benefit of other parties for a fee, compensation or any other reimbursement or remuneration.

(b) The NON-REGISTERED VERSION of the Software may be freely distributed, with exceptions noted below, provided the distribution package is not modified in ANY WAY. It is explicitly prohibited to distribute any free license keys received from Thomas Jetter to third parties.

(c) The NON-REGISTERED VERSION of the Software may not be distributed inside of any other software package without written permission of Thomas Jetter.

(d) The NON-REGISTERED VERSION and the NON-COMMERCIAL REGISTERED VERSION of the Software allow the user to publish its work according to the license agreement, but Thomas Jetter can not be held liable for the content of the publication.

(e) The NON-COMMERCIAL REGISTERED VERSION of the Software may be installed on an arbitrary number of computers that share the same Non-Commercial License, provided that the Non-Commercial License is a Multi User License and that the registration is applicable to every one of these separate computers. The Non-Commercial Multi User License is applicable to more than one computer if all these computers are in full control of the same person or educational institution and as long it is provided that none of these Non-Commercial Registered Software installations is used in a commercial way.

For MemBrain COMMERCIAL REGISTERED VERSION only

(a) Commercial Single User License: You may install and use the Software on a single computer; OR store the Software on a storage device, such as a network server, used only to install the Software on your other computers over an internal network, provided you have a different Commercial Single User License for each separate computer on which the Software is installed and run. A Commercial Single User license for the Software may not be shared, installed or used concurrently on different computers.

(b) Commercial Multi User License: You may install and concurrently use the software on an arbitrary number of computers located at one single physical site of your company or institution with the same Commercial Multi User License being shared by all these computers.

(c) The MemBrain COMMERCIAL REGISTERED VERSION allows the registered user to publish its work according to the license agreement, but Thomas Jetter can not be held liable for the content of the publication.

(d) The MemBrain COMMERCIAL REGISTERED VERSION guaranties to the registered user free updates for 24 (twenty-four) months counted from the date of registration.

For the MemBrain DLL only

(a) The MemBrain DLL may be freely distributed, also as part of another software package, provided the distribution is freeware, so identified, to NOT be sold to another person, company or institution for a fee, compensation or any other reimbursement or remuneration.

(b) The MemBrain DLL may be installed for non-commercial use on an arbitrary number of computers, provided that none of these installations is used in a commercial way, so

identified, to NOT be used by a company or business person for supporting the corresponding business goals.

(c) Commercial Single User License: You may install and use the MemBrain DLL on a single computer; OR store the MemBrain DLL on a storage device, such as a network server, used only to install the MemBrain DLL on your other computers over an internal network, provided you have a different Commercial Single User License for each separate computer on which the MemBrain DLL is installed and run. A Commercial Single User license for the MemBrain DLL may not be shared, installed or used concurrently on different computers.

(b) Commercial Multi User License: You may install and concurrently use the MemBrain DLL on an arbitrary number of computers located on one single physical site of your company or institution with the same Commercial Multi User License being shared by all these computers, provided that you have a Commercial Multi User License.

(d) Commercial MemBrain DLL Redistribution License: The MemBrain DLL may be re-distributed as part of another commercially distributed software package that makes use of the MemBrain DLL to fulfill its funtionality, provided the company or institurion that is selling this software package owns a Commercial MemBrain DLL Redistribution License.

TERMS

This license is effective until terminated. You may terminate it by destroying the program, the documentation and copies thereof. This license will also terminate if you fail to comply with any terms or conditions of this agreement. You agree upon such termination to destroy all copies of the program and of the documentation, or return them to Thomas Jetter.

OTHER RIGHTS AND RESTRICTIONS

All other rights and restrictions not specifically granted in this license are reserved by Thomas Jetter.
